Fire Survey Is Underway

Organization of the various units of the volunteer fire brigade to give protection to every home in the entire area is proceeding nicely, owing to the remarkable spirit of helpfulness and co-operation shown by all parts of the district. Willing hands are to be found on all sides and steps are now being taken to determine the boundaries of the various units so as to be as accessible and convenient as possible.

Thursday evening, April 18th, a meeting of the key men of each unit will take in Wesley Hall, which has been offered, gratis, for this purpose, at 8 o'clock, to study the territory and make suitable divisions for the various units. In this connection the Public Works Department has kindly offered the use of a large map showing all roads in the district.

In the meantime work is proceeding on the fire truck, same at present being painted a suitable red. There is considerable work yet to be done on the truck, such as the building of the body to carry the booster tank, pump, etc., and anyone willing to donate labor on same will be gladly welcomed by Jimmy Rankin and Benny Readings, who are struggling with the work without much assistance at present.

Survey parties, together with canvassers for funds, are now making the rounds from house to house. Citizens are responding with donations of \$5.00, \$10.00 and upwards to help purchase the very necessary pumping equipment, etc., as mentioned in previous issues of the Review.

BASKET PICNIC AT DEAN PARK MAY THE SIXTH

Citizens of North Saanich and adjacent territory are invited to attend a basket picnic at the beautiful 80-acre park on Mount Newton recently donated for their enjoyment by John Dean.

The North Saanich and Sidney Island Provincial Park Board, appointed by the government to administer this property, decided that Jubilee Day, May 6th, will be a most appropriate date on which to officially open the park, and it is hoped that a large number of people will turn out. Further particulars will be announced later.

REVISION OF VOTERS LIST

Arrangements have been made whereby qualified electors may receive and fill in, at S. Roberts' office, Sidney, the following forms to be forwarded to the registrar of electors:

- 1.—Any qualified elector who did not register last November.
- 2.—Any elector who has moved their residence since registration and wishes their name transferred.
- 3.—Electors are reminded that elections of revision will be held from May 15th to July 15th, but personal attendance will then be required.

At the coming general election, there will be NO absentee ballots. Also electors will NOT be allowed to be sworn in on election day. Only those who are registered on the voters' list now being made will be allowed to vote.

See you are registered NOW!

Clothing Needed

The North Saanich Welfare Society is again in need of clothing, especially for men and boys. Would anyone who has garments to spare kindly send them to the workroom at Shore Acres or telephone Sidney 33-9 and the parcels will be called for.

Silver Tea On Thursday, 25th

A silver tea will be held in the Guide and Scout Hall, Sidney on Thursday, April 25th, from 3 p.m. till 6 p.m., when an apron stall and musical program will be features of the afternoon. The program will be under the auspices of Saint Andrew's Women's Guild. You are invited to come and bring your friends.

RECITAL AT REST HAVEN

On Saturday evening a large assembly of friends and members of the Rest Haven family gathered in the lounge to enjoy a recital of sacred music given by the choir of the United Church. The program was entirely spiritual, consisting of anthems by the choir, quartets, solos and congregational singing.

The enjoyable recital, so kindly arranged by Mr. Cowell, president, and Mr. Gush, its genial conductor, provided much inspiration, not only to those in whose presence it was given, but by the many patients who "listened in" from their rooms.

Among the items on the program were such well known selections as "O For A Thousand Tongues To Sing," "Praise The Lord, O Jerusalem," "Whispering Hope," "How Lovely Are The Messengers," "Suck Ye The Lord," "God Is Love," "The Lost Chord," "The Radiant Morn," etc., etc.

For I.O.D.E. Members

Members of the Allies' Chapter, I.O.D.E., are asked to be present at the Saint George's Day service to be held at Saint Paul's United Church, on Tuesday, April 23rd, at 8:30 p.m.

Since the "passing" of Jack from the Totem Pole Exchange official mourning has taken place and a cross with suitable inscription placed at the doorway. "Poor Jack — May He Rest In Peace" at Duncan, to where he has removed.

HUGE RALLY AND DISPLAY IN VICTORIA

The Girl Guides, Boy Scouts, Brownies and Wolf Cubs of this district, numbering over 100, were among those to take part in the Grand Rally and display put on at The Willows on Saturday in honor of Lord Robert Baden-Powell, of Gilwell, Chief Scout, and Lady Baden-Powell, Chief Guide, who visited Victoria on their trip across the continent.

Upwards of 3,000 took part in the spectacular show, the Chief Scout and Chief Guide showing great interest in the displays put on.

The most outstanding display of the afternoon was the final march past, which was led by the local troop, in which both the Chief Scout and the Chief Guide took the salute.

Among the highlights of the afternoon for the local groups were:

A patrol camp site and fire by friction display put on by the Sidney troop;

A camp-pitching race in which a number of the Guides from the local company took part;

The personal bodyguard for the Chief Scout was made up of a cordon of Rover Scouts, Roy Tuttle being among the number; The first aid tent for the afternoon display was in charge of Rover Scout Bert Boshier;

And last, but not least, the presentation of a service medal by the Chief Scout to Scoutmaster Freeman King for his 25 years of service.

Both the Chief Scout and Chief Guide addressed the large assembly and greatly stirred their listeners.

REV. CONNELL ADDRESSES GATHERING

The Rev. Robt. Connell was the guest speaker at the men's supper last week and kept his audience in wide-eyed and absorbing interest for upwards of an hour while he unfolded the "Geological History of the Saanich Peninsula. Giving the story of the development of geology itself he proceeded to disabuse the minds of his audience of many popular beliefs concerning the structure and development of our universe. Mountains are not in the main of volcanic origin but rather of gradual uplifting and building up. Once upon a time — at least as far back as the day before yesterday — the Rockies, the Andes and even the Himalayas were under water, and an ocean existed between the Rockies and the Alps. These sources of multitudinous springs on Mount Newton, the possibility of oil being found on the Saanich Peninsula, the explanation of the alternating glacial and equatorial climates in the same region were all topics which tapped the brilliant mind of Mr. Connell.

The attendance was one of the highest in the history of the group and Mr. Connell was delighted with his audience as his audience was with him.

J. J. White expressed the appreciation of the group. Rev. Thos. Keyworth presided and announced Charles French as the next and last speaker for the season next month.

C.C.F. NOTES

Mrs. D. G. Steeves, C.C.F. North Vancouver M.L.A., will speak in Deep Cove Social Hall, Saturday, April 20th, at 8 o'clock. All who wish to hear Mrs. Steeves are invited to take advantage of this meeting, as it will no doubt be a long time before she is out this way again.

It would be appreciated, if those who have cars, and intend to go, would ask some of the less fortunate if they would wish to go along.

Arrangements are being made to have a covered truck leave from Stacey's corner at 7:30.

It has been considerable work to arrange this meeting and those in charge would like to see a well attended hall on Saturday, as Mrs. Steeves is well worth listening to.

On Monday, April 22nd, a meeting will be held in Stacey's Hall to review activities of the club since last October and arrange for real campaign work in preparation for the coming federal election. The public is invited.

Special Service Thursday Evening

Following the practice inaugurated four years ago a special observation of The Sacrament of the Lord's Supper will be made on Thursday evening, the anniversary of its institution, at Saint Paul's United Church. The service will not be lengthy but will be particularly helpful and a cordial invitation is extended to all christian folk regardless of denominational attachments. The service will commence at 8 o'clock.

GIRLS PROVE SPLENDID PERFORMERS

Bringing to a close a very active season the Girls' Athletic Wing of the North Saanich Service Club held its annual evening in the club hall on Thursday evening in the presence of a large and appreciative audience and many and lengthy are the words of praise now being offered the performers and instructors alike for this splendid performance.

Commencing promptly on the stroke of 8 o'clock, the program went right through till 10 without a single hitch or without once lowering the curtain.

Throughout the entire program the girls showed their abilities and real skill in folk dancing, marching, club-swinging, parallel bar work and a variety of other exercises while a number of musical selections and recitations added interest to the program events. The full evening was put on entirely by the vocal solo by Mrs. Vogee and a quartette by Messrs. Gush, Jones, Toomer and Thomas.

Mrs. Owen Thomas, with her band of faithful workers, has had charge of the wing during the past season and great credit is due to each and every one for the success which is quite evident in every section. Those in charge of the various departments are Mrs. Reg. Beswick, juniors; Miss Florence Nunn, club-swinging; Mrs. W. A. Beswick, floor exercises; Mrs. Iain Douglas, folk dancing; and E. W. H. L. RICKETTS SUCCESSFULLY DEFENDS TITLE

H. L. ("Les") Ricketts literally pulled the championship out of the fire when he met George McLean, the challenger for the title for B.C. on the McIntyre checker-board.

Wednesday evening the two met at the home of Mr. and Mrs. H. J. McIntyre when Mr. McLean took the first two hard-fought games in quick succession and Mr. Ricketts looked in danger of being relieved of his championship. The third game went to Mr. Ricketts and play was then suspended until Friday evening at the home of Mr. and Mrs. H. L. Ricketts.

Mr. Ricketts put up a desperate battle and annexed both games, the championship being decided by the best out of five games.

In the two games at Mr. Ricketts' home the players were comparatively even until they had about a half dozen men each, when Mr. Ricketts succeeded in working Mr. McLean into similar traps whereby he gave a series of men and then turned around and mopped up an additional man to win in each case.

This was the tenth year in which the championship has been played for and a strange thing has come to light, the champions have as yet been undefeated. Mr. Ricketts now becomes the permanent owner of the McIntyre Challenge Cup, having won same three years in a row.

The line-up of champions for the past ten years is as follows:

- 1926—Mrs. G. E. McLean.
 - 1927—Mrs. G. E. McLean.
 - 1928—Mrs. G. E. McLean.
 - 1929—Mrs. G. E. McLean.
 - 1930—H. O. Homewood.
 - 1931—H. O. Homewood.
 - 1932—H. O. Homewood.
 - 1933—H. L. Ricketts.
 - 1934—H. L. Ricketts.
 - 1935—H. L. Ricketts.
- *Retired undefeated.

THREE ONE-ACT PLAYS MAY THIRD

The Little Theatre Association of the North Saanich Service Club, which is now busy with preparations for its dramatic night on May 1st, will present three one-act plays, "Little Father of the Wilderness," "Out Goes She" and "Ladies In Lin.".

"The Little Father of the Wilderness" by Austin Strong and Lloyd Osborne is a costume drama in the period of Louis XV. This pathetically humorous incident is concerned with the modest little Pere Marlotte, missionary to America with Frontenac, who is called before Louis XV. at Versailles to receive, as he believes, the reward for his services in the wilderness. He finds that the King only wishes him to decide a bet he has made as to the height of Niagara Falls! But at the last moment the great Frontenac arrives and seeing the little priest about to depart kneels before him. The King, ashamed, makes amends to Pere Marlotte and creates him Archbishop of Toulouse.

The following are in the casts: O. Thomas, Martin Charlebois, Reg. Bristowe, P. A. Butler, Harold Dixon, Tom Garton and Miss Marguerite Primeau. Under the direction of Reg. Bristowe.

"Out Goes She" is a delightful little comedy from the pen of Philip Johnson.

Shirley Olson, wife of a famous novelist, living near London, becomes aware of the fact that her husband is showing serious attention to another woman. Gideon, the husband, retires home one evening, accompanied by his lady, a Miss Hilton, complains to his wife that she has never really appreciated him or his works. He tells her he is leaving for Paris to provide the necessary evidence for divorce. Shirley suavely receives this news as though it was the most ordinary thing in the world, then resorts to a trick to turn the tables on the other woman, showing up her unworthiness to Gideon, who then returns the affection back to his wife again.

This play has been entered in the Provincial Drama Festival that takes place in Victoria in May. It is under the direction of Mrs. A. N. Primeau, who had the distinction of winning the ladies' trophy at a former Dominion Drama Festival at Ottawa.

Will Celebrate 24th of May

At a meeting of the directors of the Sidney and North Saanich War Memorial Park Society on Friday evening at Stacey's Hall, it was decided to celebrate the 24th of May, specializing in sports for children as last year.

Committees are now working on the program and an outstanding day of events is anticipated, including the children's parade, foot races, jumping, sack races, etc., and displays of the physical culture groups under Mr. Hammond and Mrs. Thomas and also May-pole dances in which three or more groups of children will participate, the winning group to receive a silver cup. Bicycle races, of course, will enter into the program and also a few softball games. Refreshments will be served on the grounds as usual, coconut shies, soft drink stands, ice cream and candies will all be located in convenient places.

To top off the big day a dance will be staged in the evening at Stacey's Hall.

In connection with this celebration of the 24th of May it might be mentioned that the beautiful J. J. White Trophy, donated by Newman Mumford, will be up for competition for the first time and is open to all public schools on the Saanich Peninsula and Gulf Islands.

DAFFODIL TEA VERY POPULAR

By Review Representative
GALIANO, April 17. — Thursday afternoon the Guild of Sunshine held a very successful "Daffodil Tea" and a sale of work at the home of the president, Mrs. G. J. Mount, Rainbow Road. The rooms were prettily decorated with masses of daffodils and cowslips. Tea was served at small tables, artistically arranged, under the management of Mrs. G. J. Mount, Mrs. H. Noon and Mrs. W. Wilson, assisted by Misses Evelyn and Mary Bennett, Grace Mount and Gladys Wintrup. Mrs. Walter Norton and Mrs. E. Parsons were in charge of the home-cooking stall. Francy Work—Mrs. Stuart Holmes and Mrs. Stuart Smith, Candy—Mrs. M. B. Mount and Mrs. Alan Cartwright. Flowers and Plants—Mrs. C. W. Baker and Mrs. W. Rogers. Miscellaneous Stall — Mrs. Ross Young.

The cake donated by Mrs. G. J. Mount, the weight of which was correctly guessed, was won by Mrs. Lionel Beddis. Mrs. J. Bennett was in charge.

A pretty cushion made and donated by Mrs. Stuart Holmes was won by Mrs. N. W. Wilson, who guessed the correct circumference, 51 1/2 inches.

Another prize was a home-made sweater. This was won by Mrs. Whittingham, who guessed the correct number of beans in a jar.

During tea a short musical program was enjoyed. The vocal solos; Dorothy Mount and Daisy Evans, recitations, while Mrs. Watson acted as accompanist.

The sum of \$44.50 was realized.

PLAN "BEE," SATURDAY, MAY THE 4TH

Saturday, May 4th, is set aside as the date for a big "bee" when it is hoped that many willing hands will appear on the scene to help clean up Brennan's Beach, situated on the east side of the peninsula between Goddard's and Turnbull's.

This is one of the finest beaches in the country and only requires the united action of the school children, Scouts, Rangers, Cubs, Guides, Brownies, Y.P.S., A.Y.P.A. and other such like organizations to make a real job of it.

Bill Stacey, the park warden, has consented to take charge of the bee and J. J. White, chairman of the beach committee, will be on hand as an organizer of the various crews.

The Review learns that Mrs. Simister and Miss Turnbull have offered to contribute towards the purchase of cement to build permanent steps to the beach. Do we hear of further such like donations? Don't all speak at once!

It may now be mentioned that Saturday, May 4th, is an ideal date as the tide will be out from 9 in the morning until 3 in the afternoon. The beach should get a real "shampoo" on that occasion! An idea would be to take a basket lunch and make a "work" picnic of the occasion.

Will you be there?

Farewell Tea

Mrs. Skinner, 7th Street, entertained at tea Thursday afternoon in honor of Mrs. McQuitty, who has been spending the past winter at Patricia Bay and left for her home in Saskatchewan Friday. Mrs. McQuitty took a keen interest in welfare work and will be greatly missed.

The hostess presented Mrs. McQuitty with a gift of lavender water.

Among those invited were Miss Enos, Mrs. Gwynne, Mrs. Kirkpatrick, Mrs. Bodkin, Mrs. King, Mrs. Tuttle, Mrs. Storey, Mrs. Hadley, Mrs. Jackson, Mrs. Slater and Mrs. McQuitty.

Softball Rules Are Ammended

At the annual meeting of the British Columbia Softball Association held in Vancouver on Saturday changes in the rules were considered and the following amendments made, chiefly to clarify their meanings:

- 1.—A block ball, after being returned to the pitcher, is dead.
- 2.—A batter is out on the third strike when the catcher catches the ball or not.
- 3.—Anyone can coach, the word "player" being taken from Rule 71, Section 7.

Players must now be permanent residents from Feb. 1st in place of May 1st of the current year, this ruling to be effective in 1936.

Juniors and intermediates are allowed to play only three games with seniors before signing senior cards.

The captain or manager of a team can now decide whether grounds are in a fit condition for play.

All local teams entering the proposed local league affiliated with Victoria and District League are requested to make known to Hugh J. McIntyre, Review, Sidney, their intentions in order that same may be placed in the proper hands in Victoria when entries are called for.

Invitation from Mayor Barsby.

The combined group went to Victoria on Saturday afternoon to take part in the Rally to the Chief Scout. We turned out 100 percent strong — all members being present.

On Sunday afternoon the Rovers and King Scouts went in to the C.P.R. docks to see the Chief on the boat.

The Scouts will hold their regular meeting but there will be no Cub meeting owing to it being Good Friday.

On April 23rd, Saint George's Day, there will be a combined church parade with the Guides, Brownies and the members of the I.O.D.E. It will be held in Saint Paul's United Church at 6:30 p.m. All Scouts and Cubs attending are asked to be at the hall at 6 p.m. sharp. Full uniform to be worn, colors to be carried.

A REMINDER

Boy Scouts, remember your promise
Scout Law and Scout rules obey,
Your worship to God, your service to King,

And do a good turn every day.
Hard training, self discipline's part of the game,
In which you are learning to bear,
The trials of life, with sorrows and strife,

Of these everyone has his share.
Remember Scouts! Honor as bravely as you strive —
To fit yourselves for the day when
You cease to be Scouts and leaders of boys

And you may be leaders of men.
The above was written by a gentleman in the district and I think it is worth printing.

INSTITUTE CELEBRATES ANNIVERSARY

By Review Representative
FULFORD, April 17.—On Tuesday afternoon, last week, a short business meeting of the South Salt Spring Island Women's Institute was held when final arrangements were made for the 24th of May celebration at Fulford.

Following the meeting the 15th anniversary of the Institute was celebrated by an open meeting and silver tea, when about 20 members gathered for the occasion, several also attending from the Ganges Institute. Tea was served and an iced cake made by Mrs. J. W. Graham, surmounted by 15 candles, centred the prettily decorated table, bowls of hyacinths and daffodils being chosen for the decorations.

Following tea Miss B. Hamilton gave a demonstration on her home-made spinning wheel, contrived by her and her brother from an old bicycle wheel, which proved most satisfactory, great interest being shown by all present.

A silver collection realized the sum of \$3.35. This will go towards the fund to purchase new linoleum for the corridor of The Lady Minto Gulf Islands Hospital.

Tea hostesses were Mrs. J. Cairns and Mrs. J. Horel.

Local Notes and Personals

Mr. Everett Goddard, "Sea Point," spent several days this week on a business trip to up-Island points.

All interested are asked to note that the Evening Branch of the Women's Auxiliary will meet at the home of Miss Moses on Tuesday, April 23rd, instead of Wednesday, April 24th.

Mrs. George McLean, as official delegate of the Allies' Chapter, I.O.D.E., attended the annual provincial meeting of the I.O.D.E. which convened for two days last week in Vancouver. Mrs. H. C. Layard, Mrs. W. H. Belson and Miss C. Belson, of the local chapter, were also in attendance at this meeting.

The monthly Women's Gospel meeting will be held at the Gospel Hall on Thursday of this week, April 18th, at 3 o'clock. All ladies of the district are cordially invited to attend.

Col. C. W. Peck, V.C., D.S.O., was the guest speaker at the gathering of No. 6 Company of the Fourteenth of Canada, held in Victoria on Saturday evening to celebrate the victories at the battles of Ypres and Vimy.

Traffic on the Ferry Quilcene, operating between Sidney and Anacortes for the Puget Sound Navigation Co., is reported to be improving all the time. As more people come to know that there is now an all-year round automobile ferry linking up Vancouver Island and the U.S.A. no doubt the traffic will improve.

Mr. and Mrs. Jack Ashley and small daughter moved on Saturday to Hillcrest, V.I., where they will make their home. Mr. Ashley is employed at the Hillcrest Lumber Co., where he is engaged as jitney driver.

Mr. and Mrs. Cashlake of Vancouver are residing in Sidney above the mill office. Mr. Cashlake is shipper for Galbraith & Sully, dismantling contractors.

Literature from the Secretary of State of Canada to Hon. J. W. Fordham Johnson, received here, states that the King has been graciously pleased to approve that the 25th anniversary of His Majesty's accession to the Throne shall be recognized in a fitting manner, but has expressed the desire that local celebrations should be held wherever practicable, and that all undue expenditures should be avoided. It is recommended that special service of thanksgiving be held in all churches of Canada, morning or evening, Sunday, May 5th. By the King's command medals will be struck to commemorate the Jubilee. Jubilee medals will be presented in Ottawa to whom they have been awarded by the Governor-General of Canada and in each province by the Lieutenant-Governor.

Dr. and Mrs. S. W. Loiske and children motored to Sidney via Anacortes from Coeur D'Alene, Idaho, on a week-end visit to Rest Haven and friends in Sidney. They were accompanied by Miss Astrid Moline, a member of the 1934 Rest Haven graduating class. Miss Moline is leaving for her home in Alberta early next week.

Public schools throughout the district will close on Friday for the Easter holidays and pupils and teachers will have an opportunity to relax from their duties for a

time and get refreshed for the balance of the spring term. The teachers annual convention is being held in Vancouver and no doubt a number from the Peninsula and Islands will be among the attendants.

Easter Sunday will be marked by a spontaneous joy befitting its origin, at Saint Paul's Church, next Sunday night. Congregational singing will be marked by simplicity and fervor, well known hymns being used throughout. The choir will render two appropriate anthems, being "God So Loved the World" by J. Stainer, and "Why Seek Ye the Living Among the Dead" by Caleb Simper. Vocal solos are being arranged and the message will be one of inspiration and cheer. It is hoped that the congregation will lend its own color of enthusiasm to the day. The sacrament of The Lord's Supper will be observed at the close to which all Christian folk are welcome without denominational reserve.

Mr. Norman Bloor returned home on Monday after spending several months at Balfour and Windgam.

A. W. Aylard has made a notable addition to the Jersey sires of British Columbia by the purchase from B. H. Bull & Sons, Brampton, Ont., of the three-year-old bull Brampton Rockmount Favorite. This bull was sired by Favorite Volunteer, who has more than 20 tested daughters including one medal of merit, two gold medal and four silver medal winners and six others with records of more than 600 pounds of butterfat.

Two small fires in the district since last issue caused a slight alarm for a time, but they were nothing serious and soon under control. The first was an old shack on Third Street, opposite the home of Mr. Matthews, Wednesday night, and the other was in Chinatown on Tuesday night and was quickly extinguished.

Among local patients registered at Rest Haven this week are Mrs. Chapman and Mrs. C. W. Peck, All Bay Point; Mrs. Grant, Mills Road, and Mrs. M. Clanton, Fifth Street.

DEATH OF GRACIE THOMAS COWELL

Word has just been received of the death of little Gracie Thomas Cowell, aged seven years, who passed away at 11 o'clock yesterday morning in Jubilee Hospital, while on the operating table. Gracie, who has been a cripple since infancy, was a patient in the Solarium, Mill Bay, under the care of Dr. Wace, since the first of the year and was reported to be progressing very favorably. She was removed to Jubilee where she was to have had an operation on her hip but passed away suddenly while under the anesthetic before the operation was underway.

The funeral will be held in New Westminster and burial will be made in the family plot in Ocean View Cemetery on Thursday, April 18th.

Mr. Jos. Thomas of New Westminster is the father and she also leaves two sisters, Lenora and Margaret, who reside with the father. Gracie has resided with her aunt and uncle, Mr. and Mrs. E. W. Cowell, here for the past six years, or since she was a baby of about a year, shortly after her mother died. She had a bright and sunny disposition and was happy and gay right to the end.

INTERESTING ARTICLE ON JERSEY COW

The Jersey Calf Club, which holds its meetings monthly at the Dominion Experimental Station, is a live organization with each member taking keen interest in his or her particular work. The programs put on by the members themselves shows the understanding with which these juniors handle their various subjects. The following is an article on "The Jersey Cow," given by Robert L. Evans, a club member, at its recent meeting:

THE JERSEY COW

(By Robert L. Evans)

The native home of the Jersey is Jersey Island, one of the Channel Islands, near France, owned by Great Britain. This island is only 11 miles long, nine miles wide and contains less than 40,000 acres, but it enjoys a world-wide reputation for the quality of the Jersey cattle which it breeds. The climate is mild and even. Land on Jersey Island is very valuable, renting for about \$50.00 per acre; consequently it must be intensively cultivated to be profitable. For instance the cattle are pastured by tethering as it is less wasteful than the method of turning them loose in the pasture as we do in this country. Much of the farm revenue is obtained from the sale of pure-bred Jerseys.

Jerseys are descended from the cattle of Brittany and Normandy in France, but have been kept pure for over a century and a half. Since 1789 no other cattle have been allowed on Jersey Island except for immediate slaughter. Much attention has been given by the breeders to the type of the animal as well as to the production of butterfat.

The first Jersey was brought to Canada in 1868. In 1901 the Canadian Jersey Cattle Club was organized to look after the interests of the breed in Canada. The first Jersey recorded in the Canadian Jersey Herd Book was born in 1902. Previous to this they had been registered in the American Jersey Cattle Club or in the different Provincial Herd Books. In 1920 there were 582 Jersey breeders in Canada. At the end of 1930 there were over 2,000. These figures indicate that the breed has been growing rapidly in popularity. Jerseys are to be found in large numbers in the United States, also, where they have become very popular during the last 50 years.
